

Clear View Farm 2026-2027 IEA Team Agreement

- Riders must take minimum of 1 lesson per week at Clear View Farm
- Riders attend 5 shows per regular season, between late August-January. Since shows can sometimes need to limit entries, additional show dates may be necessary.
- Our show dates are TBA, but are usually confirmed by mid-August
- Training and entry payments are due prior to the start of the show.
- If a show is missed the training fee is still owed. Shows have a closing date for entries so if a rider withdraws from a show within 2 weeks of the show entry fees will not be given back. Riders will have the opportunity to make up those dates but travel expenses and coaching by a proxy coach may be required.
- IEA is first and foremost a team competition format that relies on resources pooled by the community (Zone 4 Region 5). Efforts and participation by every team and the individuals that make it up affect the entire community. Team members are expected to participate in each show fully including all horse care. Arriving Friday to help set up the show, 6/7am arrival on show days and staying until the day is complete, and return home with the horses to unload the trailer at the farm.
- "Post-Season" Shows include Region, Zone, and National Finals. Teams and individuals must win a pre-determined number of points in a class during regular season to qualify for Region Finals. The same is true for moving on to Zones and then National Finals. The ultimate goal of IEA is to qualify both our Upper and Lower School Teams and all individuals for National Finals, so riders should plan accordingly.
- When Clear View hosts our show (or shows) we rely on our team parents to volunteer to help run the show.
- Membership needs to be completed by August on www.rideiea.org
- When the trainer requires a hotel for out of town shows the cost of the room will be split amongst those showing.
- Post Season entries are \$80 per class, National Finals are \$100 per class
- If there are less than 5 at a show (typically at post-season shows) there will be a training rate increase.

Standard Regular Season Show Coast:

1 Day Show training fee \$160, 2 Day Show training fee \$240 (Paid to Clear View Farm)

Entry fee per class: \$65 (paid to CVF IEA)

I, (parent)_____, have read and understand the above requirements for (rider)_____ being a member of the team.
