C. Teacher's Reflection	Reflection guide or prompt can be on:  • principles behind the teaching What principles and beliefs informed my lesson? Why did I teach the lesson the way I did?  • students What roles did my students play in my lesson? What did my students learn? How did they learn?  • ways forward What could I have done differently? What can I explore in the next lesson?			Teacher's reflection in every lesson conducted/facilitated is essential and necessary to improve practice. You may also consider this as an input for the LAC/collaborative sessions.
