Lesson/Unit Plan Framework

PBL Framework Worksheet

Questions to consider

1. How is the lesson connected to the real world? Will the students solve an authentic problem?
2. How does this lesson empower students to take an active role in their learning?
3. How does this lesson initiate and maintain student inquiry?
4. How does this lesson give students agency and choice?
5. How are your students using collaborative technologies to connect with other learners?
6. How does this lesson allow students to communicate clearly and express themselves creatively?
7. Will this lesson provide students the opportunity to reflect on their learning?
