- 2.2. To set admissions criteria and procedures that are consistent with this charitable purpose and fair to applicants.
- 2.3. To identify applicants whose academic and other abilities appear to match the ethos and standards of the school, and whose personal qualities suggest that they have the potential to contribute to the school community and benefit from the many opportunities offered here.

6. Selection

ADMISSIONS POLICY

- 6.1. Oswestry School is non-selective. The criterion for the admission of pupils is usually a judgement as to whether they will be the sort of pupils who will benefit from the breadth of opportunities which are available at this school. Since these opportunities include, centrally, the academic curriculum, the School does expect a basic level of ability or achievement on entry to the school, and also to gain entry to the Sixth Form. Though there is no entrance test to gain entry into the school, consideration is given to past academic performance and to the reference obtained from the entrance candidate's previous school. Pupils sit baseline tests to ascertain the level at which they are currently working at key junctures in their school career.
- 6.2. The preconditions for admissions are that:
 - 6.2.1. The applicant is of appropriate age and sufficient maturity and that this is verified in writing.
 - 6.2.2. The applicant enjoys satisfactory general health and will be able to attend lessons and fully participate in the life of the School. This also needs to be verified in writing using the School's standard entrance form.
 - 6.2.3. The applicant's learning difficulties and other special needs (if any) have been fully disclosed at the point of registration to the school and are, in the opinion of the Headmaster (in consultation with the School's Head of Learning Support), within both the School's and pupil's capacity to cope with the full (or reasonably adapted) curricular offering. Learning support is offered in a variety of ways, including (when possible): individual guidance; learning support assistant in class; and group lessons. Additional support can be offered after funding from parents or local authority (if applicable). The School will make all possible and reasonable adjustments for a disabled applicant and if the applicant is refused based on their disability the reasons for that refusal will be justifiable and ensure compliance with the 2010 Equality Act if applicable.
 - 6.2.4. The present school report is satisfactory in respect of conduct, attitude and attendance. This report must be in writing and, if it relates to a period covering less than one academic year, the School reserves the right to obtain a written report from the school attended prior to the present school.
- 6.3. Factors which are not taken into account in the assessment of a pupil for admission are: the applicant's family connections with the School, skin colour, sexual orientation, race, nationality, religious belief or any other factor which will have no bearing on an applicant's likely success at the School.
7. **Responsibility for Admissions**
 - 7.1. The Headmaster is responsible for admissions and for the operation of this policy.
 - 7.2. The admissions process is supervised by the Headmaster. The admission procedures are determined and reviewed from time to time by the governors.
 - 7.3. Documents supporting each application for admission are retained by the School for at least one year after the application is made, whether or not the applicant is offered a place.

ADMISSIONS POLICY

The School reserves the right to make copies thereof.

- 7.4. Correspondence regarding unsuccessful applicants is dealt with by the Headmaster whose decision will be final.

8. **Specific Learning Difficulties and Disabilities**

- 8.1. The School is committed to securing equality of opportunity through the creation of an environment in which individuals are treated on the sole basis of their merits and abilities.
- 8.2. Parents/guardians are required to disclose their knowledge of any specific learning difficulty or disability relating to their child on registration. In addition, pupils and parents will be referred to the learning support department for further assessment as necessary.
- 8.3. Should a request be made regarding special conditions required to take a scholarship, entrance test, internal or external examination then the school will require evidence of a formal diagnosis pertaining to that specific learning difficulty or disability.
- 8.4. In the event of such a request being made, the Learning Support department will be tasked with evaluating the applicant's needs with regards to making any reasonable adjustments to provide equality of opportunity.

9. **Withdrawal**

- 9.1. A full term's notice is required no later than the first day of term in respect to withdrawal of a pupil from the School after the acceptance of a place, or for removal at any time during the pupil's education at the School.
- 9.2. A full term's fees become payable in the absence of the notice given above. A full term's fees means the fees as published by the School at the commencement of the academic year. Any discount, staff or otherwise, will not apply under this subparagraph.
- 9.3. Special conditions for withdrawal exist for recipients of scholarship awards; these are explained in detail in each scholarship recipient's award letter.

5. **Review of the Award:** The Award will be subject to review from time to time, in addition to any timeframe offered in the award offer letter. 6. **Fees in lieu of notice:** For the avoidance of doubt, the benefit receivable under an Award will not apply to any term for which the School has required payment of fees in lieu of notice.
7. **Terms and Conditions:** These Conditions of Award take precedence over any of the School's Terms and Conditions which are inconsistent with them but in all other respects the Terms and Conditions as amended from time to time shall apply and these Conditions of Award shall be interpreted in accordance with them.
