

**Busy as a man can  
be**

**He's our bishop**

**He finds time to  
talk to me**

**He's our bishop**

**Always kindly  
words he'll say**

**To the children**

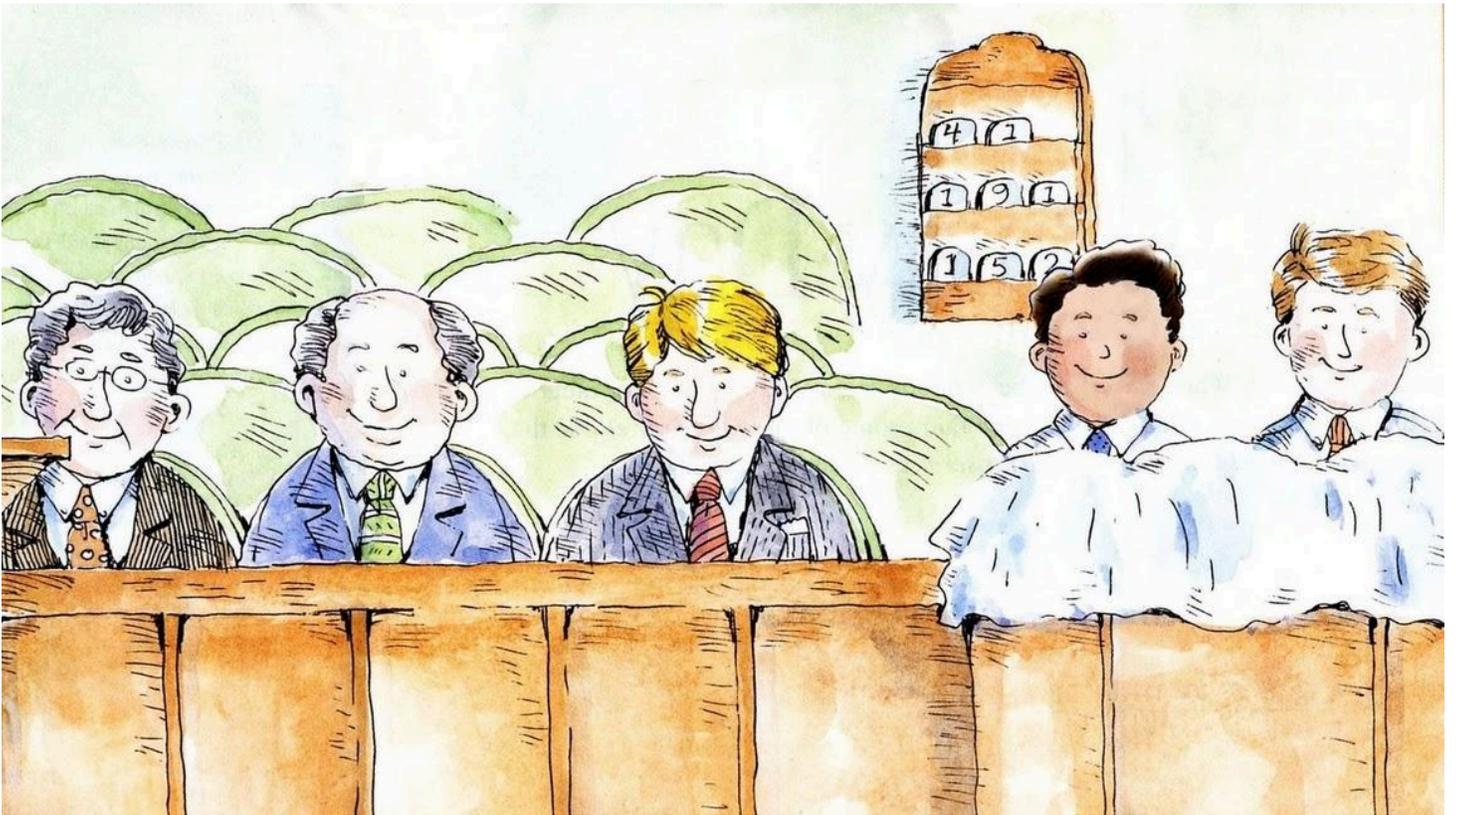

**ev'ry day**

**Let us help him**

**ev'ry way**

**He's our bishop  
Cheerful as he  
serves the Lord**

**He's our bishop**

# He's the father of our ward

**He's our bishop  
He helps us to do  
the right**

**In our Heav'nly  
Father's sight  
We love him with  
all our might**

**He's our bishop**
