

**Busy as a man can
be**

He's our bishop

**He finds time to
talk to me**

He's our bishop

**Always kindly
words he'll say**

To the children

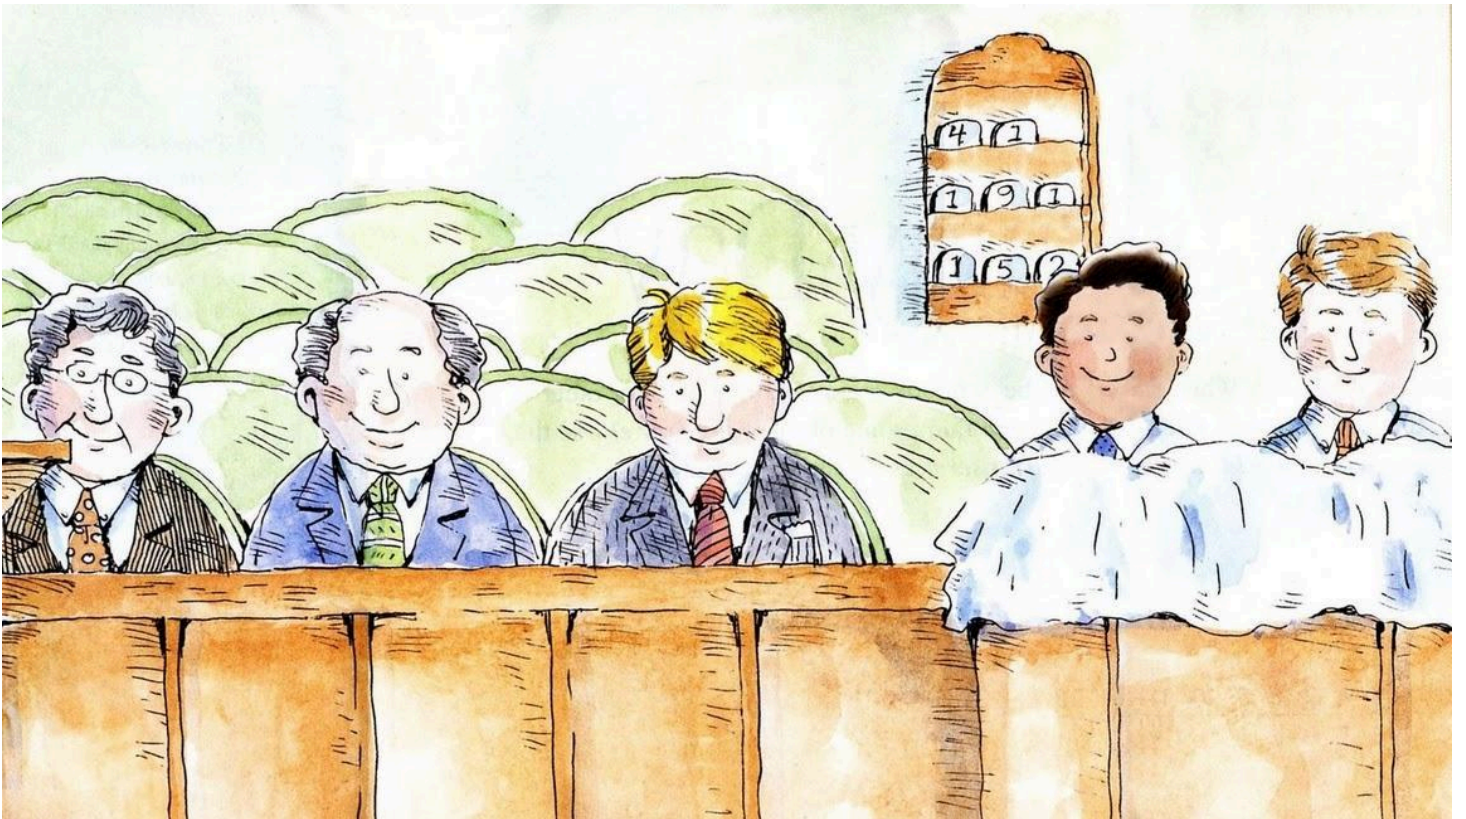

ev'ry day

Let us help him

ev'ry way

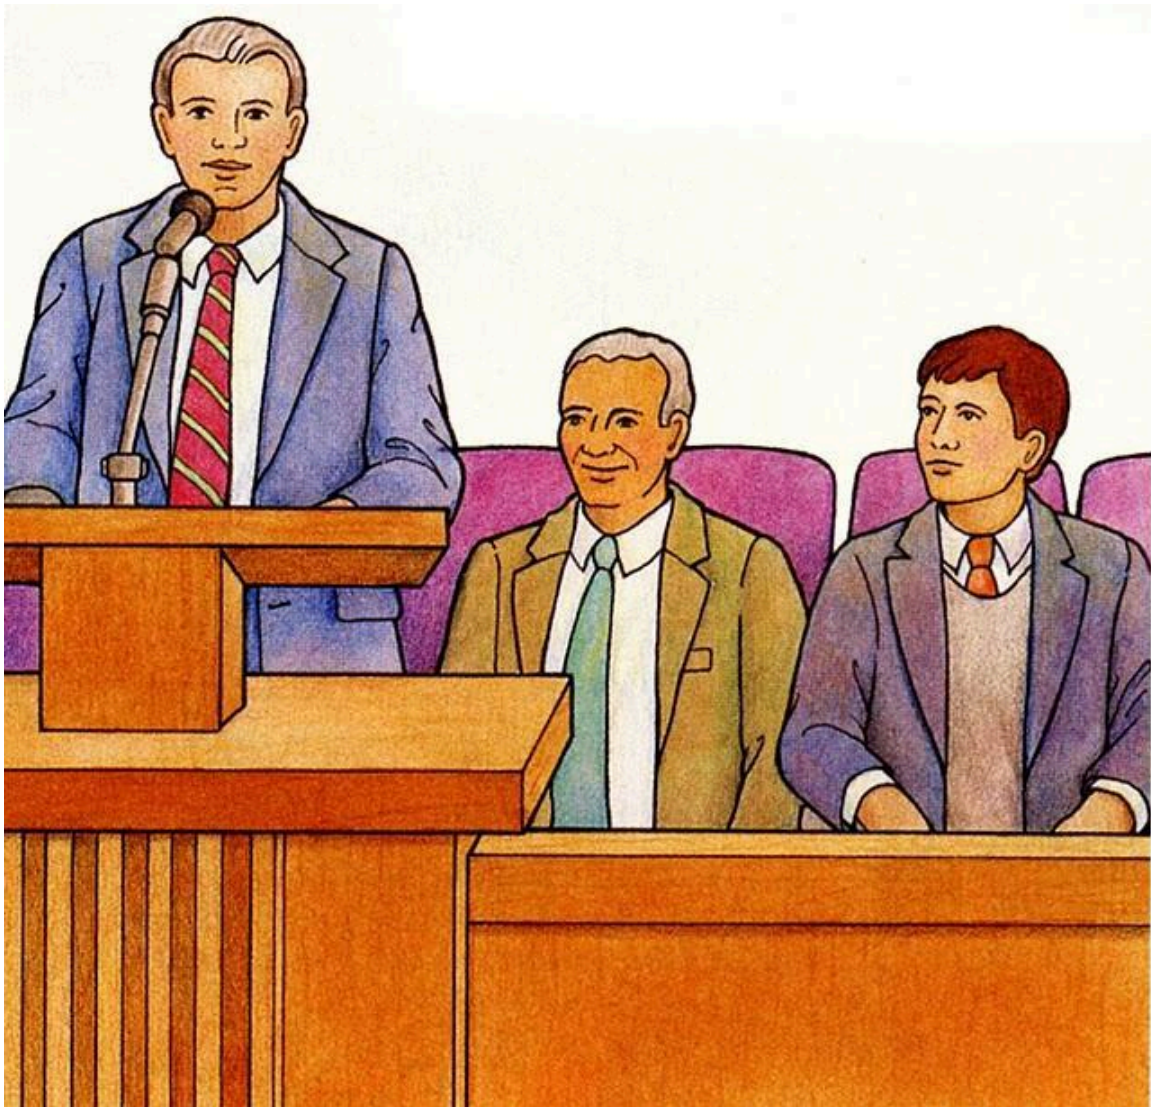

**He's our bishop
Cheerful as he
serves the Lord**

He's our bishop

He's the father of our ward

**He's our bishop
He helps us to do
the right**

**In our Heav'nly
Father's sight
We love him with
all our might**

He's our bishop
