

Boycott Central – Socials Pack

Boycotts can be a powerful tool to make companies and individuals profiting from them stop doing bad things. Perhaps you've seen – there are dozens of boycotts being called for at the moment! Look up what boycotts are happening now and who is organizing them rated by our criteria of [what makes a boycott effective](#).

Use the materials below to inspire better designed boycotts, channel more people towards well-organized boycotts, and help measure their impacts.
