

[sniffing] I smell something. Someone's close. **[movement // sniffs]** I knew my nose wasn't lying. A friendly little campsite. There's got to be someone around here. **[sniff]** Ashes that seem to have been stomped out. That means there was a fire. **[sniff]** And what's this? It appears to be some form of clothing. **[sniff]** Whoever wears this doesn't smell mated yet. **[chuckle // movement]** Where could the person be hiding? **[sniff // pause // movement]** Over here, this is where the smell is coming from. I can't describe it, I just want more of it. **[sniff]** Mmmm, so close. I can practically taste it on my tongue. Where are you? I know you have to be around here somewhere. You smell so delicious, smell just like a bitch should. **[footsteps // pause]** Hmmm, I have an idea. Hey, you! Whoever it is that I'm smelling. I know you can hear me. You might even be able to see. If you come out of your hiding spot, I'll go easy on you. This can go one of two ways, the easy way or the hard way. Which one are you going to make it?

...Come on, I'll be gentle. I'm much more willing to be nice if you don't keep hiding from me, sweetheart. This game of ours was fun at first but now I'm starting to grow bored. If you didn't want to be hunted by a werewolf, why did you come to this area of the park? There's warning signs everywhere. This is werewolf territory. You must not be so bright, sweetheart. So how about this, I give you until the count of three to show yourself to me. If you do that, I'll play nice. Sound fair?...Should have expected silence. One...two...two and a half...two and three quarters...three. **[footsteps]** Where the fuck are you, sweetheart? **[sniff]** I'm not just going to forget about you. I have your scent. I'll be able to find you anywhere you go. You won't ever be able to get rid of me until I get to see you with my own eyes.

[sniff] Getting closer, aren't I? **[footsteps]** I bet that heart of yours is starting to beat frantically. Bum bum...bum bum...bum bum...**[sniff]** There you are. What a lovely tent you got here. I couldn't see it because it blended in so perfectly to the night woods. How clever of you, truly. I would applaud you but I've wasted enough time trying to find you. **[fabric tear]** No point in saving the thing that's kept me from you. Such a thin piece of fabric, one swipe of my claws and it reveals you. My, my, **[sniff]** you smell even better up close. Look at you. **[sniff]** What a pretty bitch you are, laying there in your sleeping bag. Such a fragile little thing, out here all alone with no one to call for help. It's almost too good to be true. But I'm not one to look a gift horse in the mouth, I'll take advantage of any prey that seems to be so willing, so wanting. **[shuffle]** Lowering myself down to your level and crawling on top of you, it is so easy for me to grip both your wrists and pin it above your head. You're quite a stunning bitch, aren't you? There's only one way for this to get better for me?

Like this. **[wet noises start]** What? You didn't think I was going to let a bitch like you go free without having a bit of fun first, right? I mean, you're soaking for me. Moaning as I start to thrust against you, not giving you any time to adjust. A bitch like you doesn't need it. You probably came out here tonight with this very intention. That's why you're already so wet and open for me. You're a good cumdump for werewolves, aren't you?...Lucky I got to you first before I had to share you with others. Wouldn't want sloppy seconds if this is the hole that I get to fuck. It only feels good when it's tight, when it's not being used by others. My knot is going to be the first one you feel tonight, sweetheart. Going to make sure you're too stretched out to enjoy anyone else who might find you. You'll happily take load after load if it means you get bred by a werewolf. All omegas are like that. You all act the same. If you really didn't enjoy this, why are you moaning? Why is your body responding to my touch? Why are you begging for more? It's because you're enjoying being a cumdump, aren't you?

...Feel so empty without a load inside you, hope you can take a knot and not just some cum. Not gonna pull out, not when I have a fertile bitch underneath me like you. Such a tight fucking hole I get to bury myself in over and over again. This is all your good for, sweetheart. The only useful thing you've done in your entire life is offer your hole for me to fuck. Though, it's really a pussy, isn't it? Pussies are what get bred, aren't they? You like my cock feels fucking deep into your cunt, bitch?...What a slutty omega you are. Spreading your legs even wider, bucking against my hips. Don't even have to start stroking you to get you to cum. All you'll need is a knot and you're good to go. No wonder you come to these parts of the woods. It's the only place that a bitch like you can get your fix of alpha cum, isn't it?

...Only good for one thing and that's being fucked, isn't it? Can't get enough of my cock, trying to clench around it, trying to get the knot to pop faster. What a greedy omega you are, so selfish, only caring about your own pleasure, getting cum inside, getting your own release. If you actually paid attention and weren't so stupid, then you would know that when alpha cums you get to cum. Your pleasure is directly tied to me and my knot. So it's in your best interest to be a good cumdump and make alpha feel good. Earn that knot of mine. You want to feel it plugging you up, stretching your pretty pussy, don't you?...So desperate for it, what an eager bitch. Really you're more a fucktoy than anything, aren't you?...Moaning and rocking your hips against me, you can't get fucking enough. So focused on feeling good, on getting a knot inside that you were willing to risk it all and come to werewolf territory. Are you proud of yourself? In my opinion, this only proves that the experts are right. Every omega needs an alpha, right?

...Too fucking stupid to take care of yourself, too addicted to feeling knots that you didn't care about the risk. Ngh, fuck. Clenching around me again, so desperate for that knot. You really are pathetic, omega. A fucktoy that is willing to do anything to be used. Keep it up, submitting so beautifully to alpha, sweetheart. Pitiful whimpers escape your throat as you try to bite back another noise, pretending that you aren't enjoying this as much as you are. You don't want to admit how good it feels, do you? Your body loves my attention, adores how my cock feels. It's only natural that you're feeling good, that you're getting so close. Every thrust inside you pushes you just a bit closer to the edge. But it's never enough. No, what you need is alpha's cum like a real knotslut, don't you? You can think you are above your instincts, can try your best to show everyone that you aren't some bitch in heat, but at the end of the day you will always be a desperate omega begging for some alpha's knot. That's all fucktoys like you are good for. Do you really think you would be able to handle more?

...No, you wouldn't. You just need an alpha, omega. That's all. You've been thinking too much, have gotten far too independent. That's not healthy. But I'll help with that, fix it, fix you. Make sure you know your place as a bitch. Not going to be able to go more than a few hours without begging for a knot, sweetheart. That's how it should be. You're an omega, a knotslut, a fucktoy, and that's all you'll ever be. You don't see omegas in positions of power, you don't see omegas doing hard jobs and that is because you can't handle it. This is all you're good for, isn't it? Taking cock, being filled with cum, getting bred. That's all a pretty omega with a tight hole and good discipline needs, isn't it?...Basically a glorified fleshlight for alpha. Ngh, fuck. Are you starting to feel it?

...My knot, it's starting to form. Steadily growing bigger with every slide inside you, mnf, fuck. So fucking tight, sweetheart. Would think that you've never taken a knot before, bitch. But I'm not stupid. An omega like you would be taking it from every alpha you can find. As long as their knot is inside you and they are breeding your cunt, that's where your happiest, aren't you? Mnf, getting closer the bigger than knots get, fucking you even deeper. You want to cum for alpha, don't you?...Feels so good to be fucked like a proper bitch, to embrace your omega instincts. You don't belong in control, omega. You're a fucktoy. A cumdump. And best of all, you are the bitch that I'm going to breed tonight. Ngh, fuck. So fucking close, sweetheart. Going to be a good omega? Show me that you have what it takes to be mated and not some knotslut for anyone? Show me you can be good, sweetheart. Cum with me, cum on my kn-[**adlib mutual orgasms**] Mmmm, that was fun, wasn't it?

...I didn't go too far, right? I tried to control myself but it's a full moon. You know how I get when it's that time of the month. I did my best though! Was it a lot?...In a good way, right?...That's my omega. **[kiss]** You know, one of the positives to having my knot inside you and literally being stuck together is that you are forced to cuddle with me. **[chuckle]** I love you so much, sweetheart. You did such a good job tonight. I'm so proud of you, baby. You took everything I gave you and handled it with such grace. You were so wonderful during the scene, you're doing amazing now. You're not too full with my knot and cum inside you, are you?...Awww, I'm sorry, baby. Just breathe for me. It's only for a few minutes, right? And then the knot will deflate and everything will come out and then I'll carry you back to the car so that you don't have to walk. How does that sound?

..You know how strong I am when I'm like this. It's not like werewolves are tiny or weak by any stretch. You can feel it yourself as you milk my knot, your body making sure alpha is empty. Such a good omega for me. I love you so much. You're so amazing. Always make me so proud. Let me make such a beautiful mess of you. You're the most stunning person I've ever seen in my life. Even more so like this. I know you don't think so, but I do. Sweat clinging to your forehead, lips parted and panting, flustering under my praise as you continue to catch your breath. You always manage to take my breath away, sweetheart. I'm so in love with you, it hurts sometimes. You're the greatest gift I've ever received. There's nothing you could do or say that would turn me away. You're my everything. I might say some things in the heat of the moment but I don't mean them. I could never think such cruel thoughts about you, baby. You're the most important person in the world to me.

[kiss] My sweet omega, so good for me. You're my partner and that means something. It means that I'm never going to leave you. It means that I'm always here. Whether that is to lend an ear so you can vent or to be a body that you hug or a support system on your worst days. You're my partner and I'm yours. We take care of each other. We might pretend to not be equals in the bedroom but that's just for fun. You're the person I admire most in this world, I want to be everything that you think I am more. I'll spend every day and night proving to you that I'm the best alpha for you and showing you how much I love you. Whether that's playing some perverted form of hide and go seek or just staying in and watching movies. Whatever you want, that's what I want to do too. I want to make you feel happy, safe, and loved. I'll always take care of you, baby. You're my forever and always. **[kiss]**
