

Maryville Preschool 2024-25 Supply List

- A **full-size** backpack
- A **1.5 inch** binder-this will be used for a year-long project
- A **spill-proof** water bottle with a lid/straw (Something your child can open/close on their own without spilling or leaking any water when dropped). This will be sent home daily for washing. Our sink water only has one temperature: warm. Please fill your child's bottle with **WATER ONLY** before sending it to school. Juice, milk, sports drinks, and sodas are not permitted. These drinks will be dumped out if brought to school.
- A small blanket to be used for daily naptime. Make sure the blanket is big enough to cover your child and small enough to fit in their backpack. (The blanket will stay in their backpack for you to wash as needed and will not be kept at school) **Do not send** pillows, sheets, sleeping bags, multiple blankets, or dolls/toys/stuffed animals.
- A season-appropriate spare outfit in a gallon sized storage bag.
*Please include a shirt, pants, socks, and underwear. (This will stay in their backpack and will be used only in the event of a potty accident, spilled food or drink, or any other accident)
- If your child is not fully potty trained, please send a package of diapers/pull-ups, one package of wipes, and one large pack of diaper-changing gloves. These will be labeled and will only be used for your child. (I will send home a note when your child's supply needs to be replenished)
