Dear Sir/Ma'am:

COOPERATIVE GREETINGS!

Sound financial management is essential to the success, sustainability, and accountability of every cooperative. Cooperative officers and personnel must have a basic understanding of accounting principles and financial records to make informed decisions and effectively perform their responsibilities.

In line with our commitment to strengthening cooperative management and financial literacy, **DATS TRAINING CONSULTANCY SERVICES**, a duly registered entity and CDA Accredited Training Provider bearing Accreditation No. 233, is pleased to invite your cooperative to attend our upcoming **BASIC ACCOUNTING FOR NON-ACCOUNTANTS TRAINING** on **October 23, 2026, via Zoom**.

This training is designed for individuals without a formal accounting background who wish to understand basic accounting concepts, financial transactions, accounting records, and the importance of accurate financial information in cooperative operations.
