D. ADD INDIVIDUAL PAGES TO THE IMPOSITION LAYOUT

- Place the INDD of your individual pages into the imposed layout.
- In the Place Window, check Show Import Options.

- Select All Pages. Crop to Page bounding box.

- Place and rotate them in the correct position according to your folding dummy.

E. PRINT

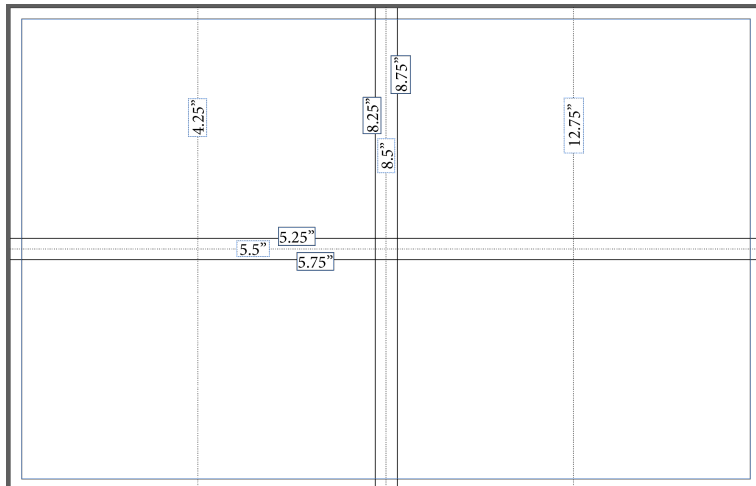

- File → Print 3 copies
- On the Setup Tab,
 - Paper Size: Tabloid
 - Page Position: Centered
- Go to Fiery Features
 - Paper Source: Drawer 3
 - 2-Sided Printing: Short Edge Binding

F. BINDERY (FOLD, STITCH, TRIM)

- Fold the document according to your folding dummy.
- Add two saddle stitches
- Trim .25" off of 3 sides.

C. CREATE THE IMPOSITION LAYOUT

- Create a new document with these settings:
 - 17" x 11" Landscape
 - 1 Page
 - Uncheck Facing Pages
 - .25" Margins
- Add guidelines marking all cut and fold lines. See example.

- Do the same for page 2.

Note: You can duplicate page 1. In the Pages Panel, right click on page 1 and select Duplicate Spread.
