

First Vice Chair Report
August 5, 2026

The fundraising committee met July 1st, 15th and the 29th.

Dialing for Dollars continues on Wednesday evenings three times a month. The effort has raised \$2,300 to date, which is well above our goal of \$1,200. We will continue to raise money through Dialing for Dollars as well as other events such as “Let Them Eat Cake” scheduled for September.

As of the end of July, LD17 has \$59,092.36 in the bank and funds through ActBlue and special events continue to come in.

Total dollars raised through Act Blue for July 2026 was \$3,997 with \$1,792 of that sum being recurring dollars. There were 111 contributions, 98 unique donors, and 15% of those contributing were first-time donors.

Respectfully submitted,

Cathy Davis
First Vice Chair
