Principals Report:

-See attached.

-Badminton starting up soon.

-Swimming lessons are the first 6 Tuesdays and Thursdays in March.

-Ski trip was cancelled due to extreme cold. Kids would still like to do one but the only options don't work for the little kids and tubing. Rachel Miller will look into more options for skiing at different ski hills for the older kids and maybe a toboggan party for the younger grades. Possibly a Ninja activity in the city or something else active. They will discuss it at the teachers meeting and figure out something else to do.

-If anyone is interested in looking at the survey results please go to Delnorte.btps.ca and look under the "Parents" tab. Scroll to the bottom and you will find the results.
