

Preachain Lughnasadh Chant

By Anubh de Mona, mka Monika Townsend

Sharp is the spear
Broad is the blade
Bright is the sun
On the heads of Preachain

Long is the day
Fey is the night
Noble the fight
Of the folk of Preachain

Heat in the heart
Hearth in the heat
Golden the wheat
Of the bread to eat

Nimble the feet
Clever the tongue
Strong is the song
Of the gathered Preachain
