

TEDDY BEAR COMPETITION

Make a Teddy Bear and raise funds for Breast Cancer Network Australia. \$5 entry fee with no limit on entries.

You can make your little friend anyway you like, knitted, crocheted or sewn as long as he or she is full of vibrant colour and humour, something that will bring joy as well as warmth to a child's (big or little) arms. The categories are Novelty and Traditional. With the competitor's permission entries will be sold after judging with the proceeds going to Breast Cancer Network Australia.

Entries can be submitted any time through the months of May and June with the cut off date Thursday 23rd June. Judges will determine the winners and this will be announced at Foster's Little Bookshop on Saturday 25th at 11am

Judges will be advised a little closer to the day, and be assured they will be people with a long history with Teddy Bears.
