Senator Updates

- **UPDATE:** During the month of May 2024, I have been in the process of applying and interviewing for the UC Student Regent position, which is a two-year term representing students as a member of the UC Board of Regents. Although I became a **UC Student Regent Finalist**, among the top three applicants among thousands of undergraduates and graduates at the ten University of California schools, I was not chosen in the last round. However, I am proud to announce that I got that far, and I want to use this chance to thank Director Alfredo Barcenas, Professor Dennis Childs, VP of Hispanic Scholarship Fund Giulana Zago, EVP External Edurado Tapia Jr., and UCSA for providing your support. Please reach out to me if you are interested in applying for next year.
