

Change your password

1. Open your [Google Account](#) or type in <https://myaccount.google.com/> (You might need to sign in until you change it to your own.)
2. Under "Security," select Signing in to Google

3. Choose Password (arrow to right) You might need to sign in again. Click Next.

4. Enter your new password, then select Change Password.

← Password

Choose a strong password and don't reuse it for other accounts. [Learn more](#)

Changing your password will sign you out of all your devices, including your phone. You will need to enter your new password on all your devices.

New password 

Password strength:
Use at least 8 characters. Don't use a password from another site, or something too obvious like your pet's name. [Why?](#)
