ANJRPC

Our local NRA association, ANJRPC, has been extremely busy these past several months working to protect the 2nd Amendment rights on behalf of NJ residents. As you are aware, the Murphy administration has put forth several bills that, if signed into law, will restrict our gun rights even more than they are today. Now that says a lot for NJ.

We need to be thankful NJ has a group of dedicated men and women who are willing to put their time and experience in play for the NJ gun owner. We all benefit from their dedication, time and effort. We have been sending email alerts to members with the details of the proposed legislation so I won't rehash the bill's details and just say, none of it will be good for you or me.

This is a good time for Lake Island members to help ANJRPC financially. Without any inside knowledge, I'm making the assumption that with all the lawsuits filed by ANJRPC, this is an expensive legal process on our behalf.

Are you a member of ANJRPC? If not, now is the time to [join](#).

Now is also a good time for current members to send a contribution to help fund the ANJRPC legal effort. As the expression goes, If Not Now, When? [Click to contribute](#).

Michael Pakay.

Lake Island Rifle and Pistol Club has been using **What's App** to communicate anything going on at the Club. We currently have about 20 members using it. **What is What's app?** WhatsApp is a free to download messenger app for smartphones with access from your PC. We provide a link to our WhatsApp blog on our "Members Only" website.

WhatsApp uses the internet to send messages, images, audio or video. The service is very similar to text messaging services however, because Whats App uses the internet to send messages, the cost of using WhatsApp is significantly less than texting. **To get on the app Call Tony Gallo at 732-874-3192**
