

Psalm 28 - "...With my song will I praise Him."

Outline

v1-2

When the Psalmist prayed, he was engaged to the point where he really cared whether the Lord heard him or not

v3-5

The wicked do not regard the operation of the Lord's hands

v6-9

The Lord is my strength

Key v7

"The LORD [is] my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him."

Like the Psalmist, we should have a plan to praise the Lord, when the Lord helps us.

Application

I'll sing songs of praise to the Lord during my commute to work.
