

**Component Name**

Component quick description

Introduction sentence 1 about component (optional). Introduction sentence 2 about component (optional).

**Usage**

**Usability Guidance**

* List Item 1

* List Item 2

Further Readling (optional)

[Link optional]()

[Link optional]()

**Accessibility Requirements**

* List Item 1

* List Item 2

Further Readling

[Link needed]() (Mozilla)

[Link needed]() (W3)

**Do's and Don'ts**

Do's

* List Item 1

* List Item 2

Don'ts

* List Item 1

* List Item 2

**Anatomy**

![Anatomy Image](File Path to Anatomy Image)

Text about anatomy

**States**

![States Image](File Path to States Image)

Text about states

**Specs**

![Specs Image](File Path to Specs Image)

Text about specs

**Code**

Text about code

Code

Note:

1. To make more specific styling edits to images in documentation, please use the "img" HTML tag instead of the markdown's image syntax (i.e. ````)
