

Westminster Day Camp Carpool Authorization

We highly encourage carpooling, however we also have the responsibility to make sure that each camper leaves only with authorized adults. Written permission is therefore required in order for anyone other than a parent/guardian to pick up campers. Please fill out one form per camper and submit this form by June 1, 2015.

I, _____, am the parent/legal guardian of the following camper, and give authorization for them to be picked up as noted below.
