

Me and Myself

Max Basurto, The Woodlands High School

What am I without you?

You're nothing.

And with?

You're nothing,

but prettier.

Who am I by myself?

You're no one.

Who are you with anyone?

You're a mosaic of those around you,
just who they want you to be.

What do you feel when alone?

Nothing.

What do you feel with me?

I don't...

Just Portraying what feels right.

What do you think?

I don't,

I'm baseless and nonsensical.

I'll give a reason.

That's what the others said.

Why do you live?

I don't know.

I can be your reason.

You'll leave like the others.

Why won't you let me love you?

You'll leave when you're bored.

No I won't.

Wish you hadn't said those words.

Why do you fear?

A pattern.

I'll break that pattern.

It's all good,

Don't worry.

You've contradicted yourself

I know

What are you

...
