1. Don't rush me, I have a life and I also have my own business. I can be busy, lazy, sick, not in the mood, can't draw the character at the moment or have an art block.
2. Credit me at least once.
3. Currency is USD but also can take Euros and CHF via Paypal. I can maybe take Twint too.
4. If I'm really uncomfortable with your commission I have the right to decline.
5. Usually no refunds, unless for emergencies if I didn't start already.
6. For customs, don't resell the character at a higher price unless you added some extra art.
