

VAZ Car Crash Simulator Russia: Privacy Policy

The fact that you are reading this shows that privacy issues are becoming a growing concern among mobile app users. Therefore, we feel that it is our duty to disclose the way we handle any data that may be collected while you are using VAZ Car Crash Simulator Russia ("Application"). By using the Application, you are deemed to have read and agreed to our privacy policy as described here.

Advertising

Advertising allows us to provide our content free of charge. We may place banner ads and full-screen ads within the Application at places where we deem unobtrusive. We partner with Google Admob and Facebook Audience Network, AppLovin, AdColony to deliver advertising contents. In order for advertisers to reach their audience effectively, cookies may be used. It is possible to opt out from personalized ads. To understand more, please refer to [Google's Privacy Policy on Advertising](#) and [Facebook Privacy Settings](#).

Changes

We may change this Privacy Policy at any time. The most recent version of the Privacy Policy is reflected by the version date located at the bottom of this Privacy Policy.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at: publishing.ai@gmail.com
