Dear Madam:

I'm Mr. Vel Manubag, a nurse reviewer and the school endorser from Concise Nursing. I was the one who came to visit you last Friday afternoon but unfortunately was not able to meet you personally since I was informed that you got prior engagements. I was just thankful that I met Ms. Quitariano and she assisted me.

Let me begin by taking this opportunity to congratulate you on your accomplishment of 60.00% overall passing rate for your beloved Nursing institution in the recently concluded November 2023 Philippine Nursing Licensure Examination (PNLE). It is such a glorious and momentous achievement after all. Congratulations!

I am writing you a letter to humbly invite you for an **online meeting** with our Concise CEO and President, Dr. Uri Rozen direct from **Israel** via online platform Google Meet on the day, you and your Level Coordinators are most convenient to attend. It is hard to reach on top but it is much harder to stay on top. Timely, we are here to present to you, our products and services which we firmly believe could help better realize your aspirations.

To give you a bird's eye view, Concise Nursing has been in the market for 7 years. It offers ready-to-use PNLE-aligned online high quality Nursing review materials. It is an Artificial Intelligence (AI) assisted program with easy access to weekly quiz executions and reliable progress tracking method at the comfort and use of our *mobile phones, tablets, and or laptops*. These advanced and unique features are designed to provide our Clinical Instructors with more work-life balance while ensuring more students to pass the exams and consequently favors higher passing rates and recognition for your Nursing Academe. This **supplemental** online self-paced Nursing learning review method has been proven effective for years by our subscribers.

Due to time differences between Israel and the Philippines, appointment settings shall only be made possible between 3pm and 7pm respectively Philippine Time, from Mondays thru Saturdays. We are hoping to hear from you for your confirmation of an online appointment with us in the soonest time possible this month. Please give us at least 3 tentative working dates to choose from that you and your representatives will be available as we are aligning your time availability with ours. Please understand that we cater to other Nursing schools nationwide. Thank you so much for your understanding. God Bless and hope to see you soon!

Sincerely Yours,
