Pre-K Registration Information for the 2025-2026 School Year

Parents can apply July 1, 2024 beginning at 10:00 AM. *The link for the 2025-2026 school year will go live on July 1, 2024 at 10:00 AM.* If you have any questions, email prekreg@valleyviewschools.net

[Click here for more information.](#)

Valley View School District invites qualified Construction Management Companies to submit a Statement of Qualifications (SOQ) for building projects that are expected to commence within the next twelve months. Construction Management Companies, duly licensed by the State of Arkansas, with previous documented construction management experience are invited to submit a SOQ for consideration by the district's school board.

Companies interested in submitting a SOQ for consideration by the board may obtain the Request for Qualifications by accessing the following link:

<https://drive.google.com/file/d/1j6D2aqqwYALW3gjbCZJhVtCHyNwDZcmw/view?usp=sharing>.

SOQs will be accepted until 2:00pm on May 3, 2024.

Say Something Anonymous Reporting Tool Information

In response to this week being Arkansas Safe Schools Week and Valley View's commitment to safety and security, we are releasing the Say Something Reporting Tool. This is an anonymous reporting form that will alert school officials of safety concerns such as bullying/cyber-bullying, violence/threats, potential fights, drugs/alcohol, weapons, etc. Safety concerns may be reported at anytime, but the reports are only monitored

during school hours. If you need to report an emergency, please call 911 or if appropriate, call 988 to reach the National Suicide & Crisis Lifeline.

This form can be completed by visiting the district website or by using the following link:
<https://forms.gle/kTAKi8hyZaqMjBcH9>

School personnel will investigate each situation reported and respond accordingly. Our district takes every report seriously and hopes this tool ensures continued safety for all students and staff.

Based on A.C.A. 6-13-631 and the Valley View School District having greater than 10% minority population according to the 2020 Census, the Valley View School Board will be composed of seven (7) board members following the general election on Tuesday, November 8, 2022. The seven board positions consist of five (5) single-member zones elected by the registered voters in each respective zone and two (2) at-large positions elected by all registered voters in the district. In the November election, the board members for each of the five single-member zones will be elected. Current board members drew lots for the two at-large positions, and Lee Lane and Richard Rogers drew for these positions, which will not be on the ballot in November. The

Due to safety concerns, the district wants to notify all drivers that driving around vehicles in the drop-off and pick-up lines is not allowed unless you are directed to do so by a police officer or school administrator. Effective immediately citations could be issued by JPD if you pass other vehicles.

If you need to get to the elementary or intermediate afternoon staging areas, our district encourages you to decrease your wait time by using an alternate path to keep you from having to wait on Valley View Drive since passing is not allowed. Maps showing these alternate pathways to our staging areas from Southwest Drive as well as from Lawson Road are below.

Thank you and we appreciate your cooperation in our efforts to keep our students and patrons safe while on campus.
