

## Hi PIN: A Complete Guide

### What is Hi PIN?

PIN AI is an innovative platform for personal AI that enables users to accomplish everyday tasks with the help of AI while maintaining data privacy and control. Hi PIN is the first user-facing product of PIN AI, bringing a gamified personal AI experience to users on Telegram. Hi PIN offers a variety of features from shopping and travel planning to financial management, allowing users to earn PIN Points for usage and data connections. The platform protects data through cryptographic technology and decentralized storage, providing users with a private and secure AI that adapts to their preferences and needs.
