The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

## **Desired Outcome for the Day:**

- Understand and strategize how to design clients website

## **Planned Tasks to Achieve it:**

- Create a plan of what I want to do for the visual effects

## **End of the Day Reflection:**

- I got a good understanding of what I need to do going forward

## **The Man You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :**

- I am a man that doesn't have a lot of money. I rely on my parents. I don't affect the world very much. I don't have the things I want. I don't have the confidence, status and respect I want. I DON'T HAVE THE LIFE I WANT.
- I want to be a man with resources. A man that can take care of his family, provide for them and give them amazing experiences. I want to be able to affect the world in great and positive ways. I want to be respected. I want confidence in myself and my abilities. I want status and value to my name and my last name. I want a life of adventure, of freedom and of substance. I don't want the boring, average life with an average car and an average woman. I cannot allow myself to live like that. I want exceptional. And if that means the good and the bad then count me in. I just can't live average.

**Your Reason *Why* (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :**

- I am fighting for something better. I am fighting to prove them wrong. I am fighting to escape the “average”. I am fighting to become someone of value and respect. I want to make my parents proud. I want to make myself proud. I can’t stand the fact that some people get to experience some aspects of life that I will never get to experience. I cannot accept a life where that is my reality. I will not accept it. I will fight for something more.
