### Rotary Youth Leadership Awards

Da Da, Niji, Kru Rung, Kris, and Leah

Rotary Youth Leadership Awards is a leadership program coordinated by Rotary Clubs around the globe. Each year, thousands of young people participate in this program. Young people ages 13–30 are sponsored by Rotary Clubs to attend the event run by the club's district committee.

Welcome to the November 23 edition of the high school newsletter.

This edition contains the Exam schedule for all high school classes and an invitation for all high school parents to attend a special meeting on December 3 to learn about how we plan to support your child as they navigate high school and the university application process.

Until next week, take care!

## Second Semester Staffing changes

To keep up with the ever changing needs of the student body, I am pleased to announce the following staffing changes for the second semester:

1. Mr. Jim, who has a Bachelor of Education degree with a major in Physical Education and a second Bachelor's degree in Human Kinetics, will teach all PE and Strength and Conditioning classes for the second semester.
2. Mr. Sean Allen, a certified English Teacher, will teach one section of Grade 9 English.
3. Ms. Jasmine Orellana, a certified English Teacher, will teach another section of Grade 9 English.
4. Mr. Severino assumes one section of Pre Calculus to relieve Ms. Deirdre who taught the section because of the delayed arrival of the new teachers this fall.

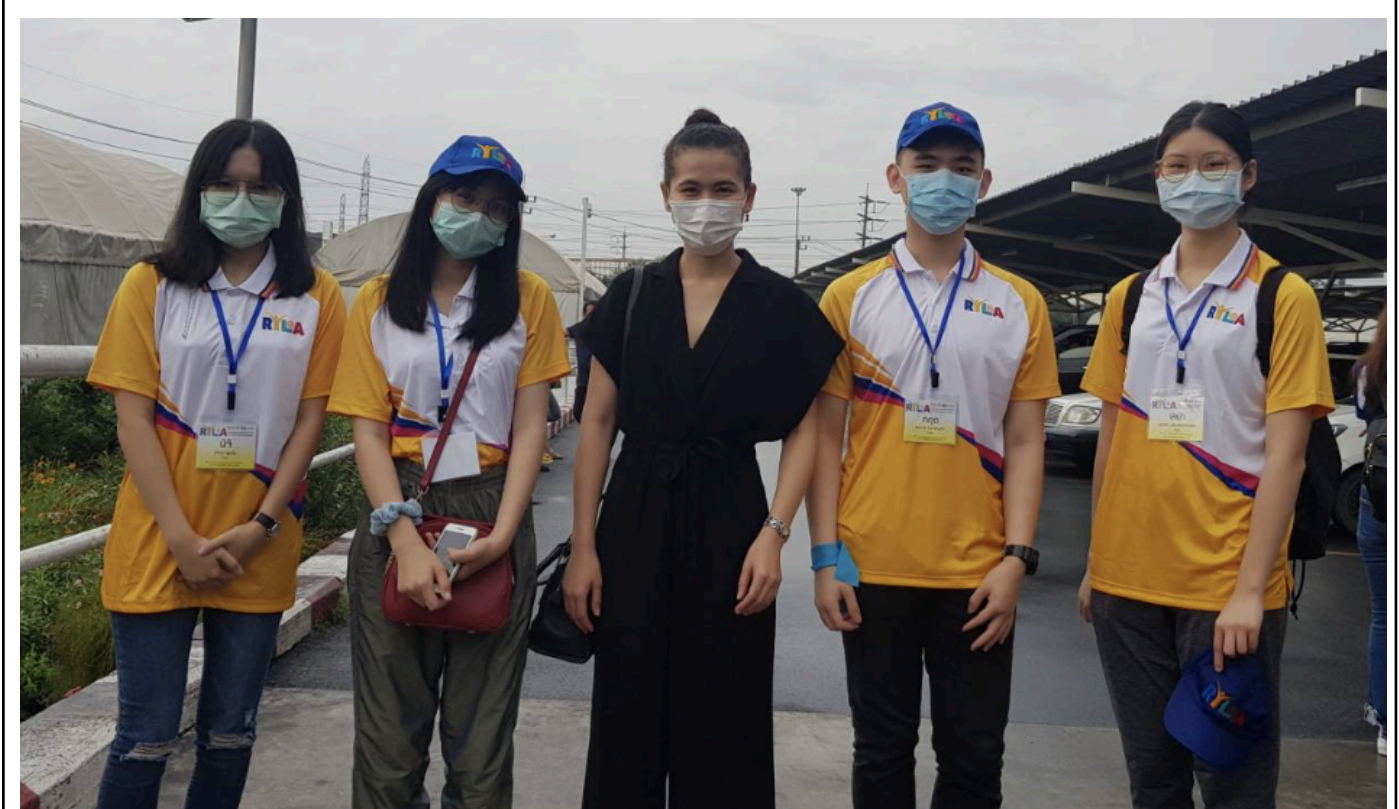

These teachers are to be commended for their hard work, diligence, and flexibility during the first semester while the school acclimated to the new normal and onboarded 14 new teachers.

# High School Art Happenings

## Graphic Design & Digital Arts

Graphic Design and Digital Arts students have been discovering the versatility of Adobe Illustrator this semester. Students started off with simple shape manipulations and then learned how to create patterns. To complete their pattern unit, students focused on a theme and a demographic to create a holiday based wrapping paper. Students had to avoid cliches and think outside of the box. Then the prototypes were printed and students learned how to wrap a gift and make a high quality, handmade bow. Additionally, students learned logo design after creating their own candy company to market. Students learned how to manipulate typography and incorporate

various design elements. Currently, students are creating a charity box for a PAWS Bangkok fundraiser while considering their target audience.

Students have explored a wide variety of tools and processes which have resulted in amazing projects, but they have also given students useful skills that can be applied to their lives outside of school. All skills they learn in class are entirely transferable which makes Graphic Design and Digital Arts the perfect class for Life-long Learning and Complex Thinking.

Top: Allen creating his charity box.

Bottom row left to right: Wesley's wrapping paper and fancy bow, Mean tests out her wrapping skills, Kitty's fantastic logo.

**May 8, 2021 (SAT & Subject Test)**  
**June 5, 2021 (Subject Test Only)**

Students applying to universities in Taiwan are advised to take the SAT and Subject Tests during their Grade 11 year in order to have all testing requirements completed by August, 2021. Please contact [Mr. Tony](#) should you have any questions.

The TCIS Peer Tutoring Program is off to a great start! High school students are earning community service hours for their participation. Below is a photo of Grade 11 student Eve working with Grade 7 student Chi Chi.

# GRADE 11

On November 17th, Mr. Rob met with all grade eleven students during choice time. He shared high school course selection information for the 2021-2022 school year along with college application reminders on the following topics: teacher recommendation letters, Common App essay prompts, and standardized test registration. The eleventh graders are making excellent progress and will be ready to apply to university in the beginning of their senior year!

## Class of 2021 Update by Mr. Kevin

Students in the senior seminar class are practicing their interviewing skills by presenting topics of their choice to classmates. We want students to feel comfortable speaking in front of people and sharing their ideas that showcases their talent to prospective admissions counselors. Submission of university applications have begun for schools in Taiwan and gearing up for universities in Canada, Thailand, and the USA. Take some time to engage your son/daughter on how their application process is going and how you can support and encourage their efforts.

### Reporting Student absences and tardies

(new process this year)

Send an email to: [registrar@tcis.ac.th](mailto:registrar@tcis.ac.th)

Or

Call the Registrar's Attendance line at: **751-1201**

Please notify the registrar as soon as possible of your child's absence or tardiness from school. A parent or guardian must email the Registrar within one day following the absence.

**TCIS Trips**→ All approved trips shall be communicated through official letters on school letterhead and signed by Mr. Tom or Kru Rung.

**Community Service Hours**→ All Community Service hours must be pre-approved by the Thai Director, Kru Rung.

**Money Collection**→ Any and all monies requested for approved trips, class dyers, and approved fundraising shall be communicated through official letters on the school letterhead and signed by Mr. Tom or Kru Rung.

If your child asks for money for a school trip or any fundraising activities at TCIS, please consider your approval only upon reading and understanding the information that is on official letterhead and signed by an authorized official of the school. Also, be reminded that even if a trip or request for money is approved by a school official on school letterhead, you have every right to make the decision best for your family and in no way should you feel pressured by TCIS that your child contributes or participates in any activities.

As a parent, your voice matters. Please be assured that TCIS desires to provide opportunities for all students and will communicate approve activities, including requests for money in writing on official letterhead signed by Mr. Tom or Kru Rung. Any documents or information you may be presented that do not contain an official signature from one of the above mentioned individuals is not an approved activity of TCIS.

## TIMELINESS

When was the information published or updated? Does your topic require current information?

## RELEVANCE

Does the information answer your main question? Does the information meet the stated requirements for the assignment?

## AUTHORITY

Who is the author? What are the author's credentials? Is the author affiliated with an educational institution or other organization? Do other books cite the author?

## ACCURACY

Are there statements you know to be false? What citations or references support the author's claim? What do other people have to say about the topic?

## PURPOSE

Is the author's purpose to sell, persuade, entertain, or inform? Is there an obvious bias? Are other points of view expressed?

## November AP Update

Dear Parent / Guardian,

If your child has already signed up for AP coursework, they have more support than ever to help them learn throughout the year and prepare for AP Exams, where students have the opportunity to earn college credit!

Our team of AP teachers remain dedicated to providing your child with a powerful learning experience this year, and because we know the importance of parent involvement, we have a few updates to help your child stay on track:

- Make sure your child uses the join code their AP teacher gives them **to join their class section**. This will give them access to AP Classroom where they can practice their skills, receive feedback on their progress, and see real AP Exam questions.
- Remind your child to watch AP learning videos. Starting on **September 1**, short, on-demand learning videos called “AP Daily” are available in AP Classroom. AP students can watch these at their own pace on a mobile device or a computer with internet access, or teachers can assign them as part of their curriculum. These are available for most courses.
- Know that May 2021 AP Exams will cover the full course scope and content because colleges expect it. And if our school buildings are closed in May 2021 due to safety concerns, the AP Program will provide a contingency option for AP Exam testing. We expect to know more about this in early 2021.

Thank you,

## AP Scholar Award Levels

The AP Scholar Awards are academic distinctions for students to cite among their credentials on applications and résumés. Students do not receive any monetary award from College Board.

Award	Criteria
AP Scholar	Granted to students who receive scores of 3 or higher on three or more AP Exams
AP Scholar with Honor	Granted to students who receive an average score of at least 3.25 on all AP Exams taken, <b>and</b> scores of 3 or higher on four or more of these exams
AP Scholar with Distinction	Granted to students who receive an average score of at least 3.5 on all AP Exams taken, <b>and</b> scores of 3 or higher on five or more of these exams
AP International Diploma	Awarded to students who display exceptional achievement across a variety of disciplines. <a href="#">See eligibility requirements.</a>

**Note:** The [AP Capstone Diploma™](#) and [AP Seminar and Research Certificate™](#) are reported to colleges and universities as AP Scholar Awards and appear in Scholar Roster reports.

# The AP International Diploma (APID)

The AP International Diploma (APID) is a globally recognized certificate awarded to students who display exceptional achievement across a variety of disciplines. Available to international students attending secondary schools outside the U.S. and to U.S. high school students applying to universities outside the country, the APID certifies outstanding academic excellence with a global perspective. (But it's not a substitute for a high school diploma.)

Students don't need to apply for the APID; it's automatically awarded in the year all eligibility requirements are met. The College Board notifies students by email after the award has been conferred. Students may self-print an APID certificate from [AP Scores](#).

## APID Eligibility Requirements

- Students must score a 3 or higher on 5 or more AP Exams.
- Exams taken multiple times only count once—the highest score will be used for award calculation.
- Students must attend a school outside the U.S. or U.S. territories, -OR-
- Students attending a school within the U.S., U.S. territories or the DoDEA network must send AP score(s) to a university outside the U.S.
- Exams must fulfill the following content areas:
