

4096 You raise me up

明瞭我麼

When I am down

每當我困倦難過

and oh my soul so weary

無求甚麼

When troubles come

只想有祢在旁

and my heart burdened be

長年受挫

Then I am still

嘗得到幾次失望

and wait here in the silence

還好祢在

Until you come

一一跟我渡過

and sit awhile with me

You raise me up

重新點起我生命

so I can stand on mountains

從此一起

You raise me up

終生都跟祢飛

to walk on stormy seas

唯獨祢

I am strong

始終不把我嫌棄

when I am on your shoulders

遙遙長路

You raise me up

全心的貼近祢

To more than I can be

浮游世間

There is no life

我總會有日潮退

no life without its hunger

旁人或許

Each restless heart

記不到我是誰

beats so imperfectly

誰人別去

But when you come

無非於天國相聚

and I am filled with wonder

人生這樣

Sometimes, I think

珍惜分秒共對

I glimpse eternity
