If you are located in the EU or UK, this section applies to you.

The General Data Protection Regulation (GDPR) and UK GDPR require us to explain the valid legal bases we rely on in order to process your personal information. As such, we may rely on the following legal bases to process your personal information:

- **Consent.** We may process your information if you have given us permission (i.e., consent) to use your personal information for a specific purpose. You can withdraw your consent at any time. Learn more about [withdrawing your consent](#).
- **Performance of a Contract.** We may process your personal information when we believe it is necessary to fulfill our contractual obligations to you, including providing our Services or at your request prior to entering into a contract with you.

- For identifying injured, ill, or deceased persons and communicating with next of kin
- If we have reasonable grounds to believe an individual has been, is, or may be victim of financial abuse
- If it is reasonable to expect collection and use with consent would compromise the availability or the accuracy of the information and the collection is reasonable for

purposes related to investigating a breach of an agreement or a contravention of the laws of Canada or a province

- If disclosure is required to comply with a subpoena, warrant, court order, or rules of the court relating to the production of records
- If it was produced by an individual in the course of their employment, business, or profession and the collection is consistent with the purposes for which the information was produced
- If the collection is solely for journalistic, artistic, or literary purposes
- If the information is publicly available and is specified by the regulations

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders (depending on your communication preferences). The third parties and service providers use their technology to provide advertising about products and services tailored to your interests which may appear either on our Services or on other websites.

No purpose in this notice will require us keeping your personal information for longer than the period of time in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

10. CONTROLS FOR DO-NOT-TRACK FEATURES

At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Notice.

California law requires us to let you know how we respond to web browser DNT signals. Because there currently is not an industry or legal standard for recognizing or honoring DNT signals, we do not respond to them at this time.

These Legal Terms are governed by and interpreted following the laws of the Netherlands, and the use of the United Nations Convention of Contracts for the International Sales of Goods is expressly excluded. 13. DISPUTE RESOLUTION

Informal Negotiations

To expedite resolution and control the cost of any dispute, controversy, or claim related to these Legal Terms (each a "Dispute" and collectively, the "Disputes") brought by either you or us (individually, a "Party" and collectively, the "Parties"), the Parties agree to first attempt to negotiate any Dispute (except those Disputes expressly provided below) informally for at least thirty (30) days before initiating arbitration. Such informal negotiations commence upon written notice from one Party to the other Party.

Binding Arbitration

Any dispute arising from the relationships between the Parties to these Legal Terms shall be determined by one arbitrator who will be chosen in accordance with the Arbitration and Internal Rules of the European Court of Arbitration being part of the European Centre of Arbitration having its seat in Strasbourg, and which are in force at the time the application for arbitration is filed, and of which adoption of this clause constitutes acceptance. The seat of arbitration shall be Amsterdam, Netherlands. The language of the proceedings shall be Dutch. Applicable rules of substantive law shall be the law of the Netherlands.

Restrictions

The Parties agree that any arbitration shall be limited to the Dispute between the Parties individually. To the full extent permitted by law, (a) no arbitration shall be joined with any other proceeding; (b) there is no right or authority for any Dispute to be arbitrated on a class-action basis or to utilize class action procedures; and (c) there is no right or authority for any Dispute to be brought in a purported representative capacity on behalf of the general public or any other persons.

Exceptions to Informal Negotiations and Arbitration

The Parties agree that the following Disputes are not subject to the above provisions concerning informal negotiations binding arbitration: (a) any Disputes seeking to enforce or protect, or concerning the validity of, any of the intellectual property rights of a Party; (b) any Dispute related to, or arising from, allegations of theft, piracy, invasion of privacy, or unauthorized use; and (c) any claim for injunctive relief. If this provision is found to be illegal or unenforceable, then neither Party will elect to arbitrate any Dispute falling within that portion of this provision found to be illegal or unenforceable and such Dispute shall be decided by a court of competent jurisdiction within the courts listed for jurisdiction above, and the Parties agree to submit to the personal jurisdiction of that court.

21. MISCELLANEOUS

These Legal Terms and any policies or operating rules posted by us on the Services or in respect to the Services constitute the entire agreement and understanding between you and

These Legal Terms operate to the fullest extent permissible by law. We may assign any or all of our rights and obligations to others at any time. We shall not be responsible or liable for any loss, damage, delay, or failure to act caused by any cause beyond our reasonable control. If any provision or part of a provision of these Legal Terms is determined to be unlawful, void, or unenforceable, that provision or part of the provision is deemed severable from these Legal Terms and does not affect the validity and enforceability of any remaining provisions. There is no joint venture, partnership, employment or agency relationship created between you and us as a result of these Legal Terms or use of the Services. You agree that these Legal Terms will not be construed against us by virtue of having drafted them. 22. PAYMENTS, REFUNDS & RIGHT OF WITHDRAWAL

This section sets out the payment terms, refund policy, and statutory right of withdrawal that apply when you purchase our products and services. It is intended to supersede any conflicting statement elsewhere in these Legal Terms and reflects Directive (EU) 2023/2673 amending Directive 2011/83/EU.

A. Digital Products and Waiver of Withdrawal

All sales of downloadable, streamable, or digital content (including but not limited to e-books, templates, workbooks, resources, pre-recorded guides, self-guided tools, courses, memberships, and communities) are final and non-refundable. By purchasing digital products, you expressly request immediate access to the digital content and acknowledge that you lose your 14-day statutory right of withdrawal (herroepingsrecht) under European consumer protection law once the download or access link has been provided or access has begun. Where this waiver is presented as a checkbox at checkout, completing your purchase confirms your agreement to it.

B. Single 1:1 Sessions (including Your Clarity Hour™)

Payment for an individual session (such as a 60-minute diagnostic or coaching session) must be paid in full upfront.

- Statutory withdrawal: If you are an EU/EEA consumer, you have a 14-day right of withdrawal for services. By booking a session that takes place within this 14-day period, you expressly request that the service begin during the withdrawal period and acknowledge that your right of withdrawal ends once the session has been fully performed. If you withdraw before the session has taken place, you are entitled to a refund of the amount paid.
- Rescheduling: You may request to reschedule a session up to twenty-four (24) hours before the scheduled start time. One (1) reschedule per session is permitted.
- Late cancellations & no-shows: If a cancellation or reschedule request is made less than 24 hours before the session, or if you fail to attend within fifteen (15) minutes of the start time, the session is considered delivered and is forfeited. No refunds or complimentary reschedules will be issued, subject to any non-excludable statutory rights you hold under Section E.

C. Multi-Week Programs (e.g. 12-Week / 3-Month Programs)

Multi-week or multi-month programs (including 12-week and 3-month programs combining 1:1 sessions and/or messaging support) represent a dedicated time and energetic commitment from us.

- No refunds: Once the program commences — defined as either the occurrence of the first session or the activation of the messaging/support channel — no refunds will be granted for any reason, including change of mind, personal scheduling conflicts, or early termination by the Client.
- Payment plans: If you opted for an installment plan, you remain obligated to pay all remaining installments in full according to the agreed schedule, regardless of program completion or participation.

D. Ongoing / Subscription Support

Ongoing coaching and messaging support operate on an automated monthly subscription cycle.

- Cancellation notice: You may cancel at any time. To avoid being charged for the next billing cycle, written notice must be provided at least seven (7) days before the next scheduled payment date.
- No pro-rata refunds: Access continues until the end of the current paid billing cycle. No partial or pro-rated refunds will be given for unused portions of a billing month.

E. Statutory Guarantees for Consumers

Nothing in this section is intended to exclude, restrict, or modify any non-excludable statutory rights or consumer guarantees you may hold under the mandatory provisions of the law of your country of residence. Where such rights apply, they prevail over any conflicting term above. Refunds outside those statutory rights will only be issued if a service fails to be delivered as described and cannot be remedied within a reasonable timeframe.

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie rights by setting your preferences in the Cookie Consent Manager. The Cookie Consent Manager allows you to select which categories of cookies you accept or reject. Essential cookies cannot be rejected as they are strictly necessary to provide you with services. The Cookie Consent Manager can be found in the notification banner and on our Website. What about other tracking technologies, like web beacons?

Cookies are not the only way to recognize or track visitors to a website. We may use other, similar technologies from time to time, like web beacons (sometimes called "tracking pixels" or "clear gifs"). These are tiny graphics files that contain a unique identifier that enables us to recognize when someone has visited our Website or opened an email including them. This allows us, for example, to monitor the traffic patterns of users from one page within a website to another, to deliver or communicate with cookies, to understand whether you have come to the website from an online advertisement displayed on a third-party website, to improve site performance, and to measure the success of email marketing campaigns. In many instances, these technologies are reliant on cookies to function properly, and so declining cookies will impair their functioning.

Do you use Flash cookies or Local Shared Objects?

Websites may also use so-called "Flash Cookies" (also known as Local Shared Objects or "LSOs") to, among other things, collect and store information about your use of our services, fraud prevention, and for other site operations.

If you do not want Flash Cookies stored on your computer, you can adjust the settings of your Flash player to block Flash Cookies storage using the tools contained in the [Website Storage Settings Panel](#). You can also control Flash Cookies by going to the [Global Storage Settings Panel](#) and following the instructions (which may include instructions that explain, for example,

how to delete existing Flash Cookies (referred to "information" on the Macromedia site), how to prevent Flash LSOs from being placed on your computer without your being asked, and (for Flash Player 8 and later) how to block Flash Cookies that are not being delivered by the operator of the page you are on at the time).

Please note that setting the Flash Player to restrict or limit acceptance of Flash Cookies may reduce or impede the functionality of some Flash applications, including, potentially, Flash applications used in connection with our services or online content.

Do you serve targeted advertising?

Third parties may serve cookies on your computer or mobile device to serve advertising through our Website. These companies may use information about your visits to this and other websites in order to provide relevant advertisements about goods and services that you may be interested in. They may also employ technology that is used to measure the effectiveness of advertisements. They can accomplish this by using cookies or web beacons to collect information about your visits to this and other sites in order to provide relevant advertisements about goods and services of potential interest to you. The information collected through this process does not enable us or them to identify your name, contact details, or other details that directly identify you unless you choose to provide these.

How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal, or regulatory reasons. Please therefore revisit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.
