Do I need to let anyone know that my student has an IEP/504 or medications?

Yes, please add this information in ARUX when you register and contact the enrichment team at enrichment_extendedlearning@dpsk12.net. This will help the team ensure your student is supported when attending enrichment programs.

Why was the program I enrolled my student in canceled?

Our providers need to have a minimum number of students enrolled to cover the cost of supplies and to pay the instructor. If the program is canceled you will be contacted via email and text the day after registration closes if possible give other program options. You will be refunded back to the payment method used to pay for the program.

What happens if the program is canceled for a day?

If the provider/businesses has a staff out for an illness/emergency the enrichment team will contact families via email and text. Students enrolled that day in discovery link/little links on action needed. If not enrolled students will need to be picked up after school. The enrichment team will work to reschedule the missed day if possible.

Is there makeup for missed classes?

How do I/we recommend a program offering?

The best way is to complete the Family interest survey sent out in February. Encourage other families to complete the survey. Invite your schools Enrichment

Coordinator to PTA/PTO meeting(s), and school events so they can learn more about your community.
