Subject line: Start your own Yoga business (from home)

If you're an aspiring Yoga teacher, you can get overwhelmed by the phrase "starting a Yoga business":

- 🙄 Do I need a Yoga studio?
- 🙄 Is a certificate needed? If so, which is the best if I live in X country?
- 🙄 How long will it take to be a Yoga teacher?
- 🙄 Do I need to be a Yogi myself?
- 🙄 What do I need to know?
- 🙄 Do I have to get insured?

Don't worry, it's not that complicated.

You're only a few steps away of generating money from the comfort of your own home!

I can show you exactly how to do it.

If you want to be a Yoga teacher in 60 days or less,
