DHMS SPORTS SPECTATOR CODE OF CHARACTER 2023-2024

Drexel Hill Middle School strives to promote good sportsmanship and a positive environment at all athletic events. Inappropriate language or actions, racial or sexist comments, or those meant to demean athletes, coaches, officials, event staff, or other spectators is grounds for immediate dismissal. Please support both teams in a respectful manner.

Student entry into indoor games will be dependent upon the following:

- DHMS students who want to attend an after school game must go straight to the game at dismissal. Students who leave the building will not be permitted back in to attend the game unless accompanied by a parenting adult.
- Students from any school will only be permitted in the building to watch a game if they are accompanied by a parenting adult.
- Students who attend games must have been present in school for the entire day. Students who are suspended, sent home early, or sick are not permitted to attend any games.
- Once in the gym, students must remain in the gym. Reentry is not permitted.

While in attendance, students must follow the three “B’s”: Be safe. Be respectful. Be responsible. The following behaviors are grounds for immediate dismissal from an event and possible suspension from future events.

- Use of foul language
- Physical or verbal altercation with a student, staff member, official, or other spectator
- Throwing any objects
- Entering the field of play or court
- Use of artificial noise makers
- Negative or disrespectful cheers, chants, or comments

Opportunity • Unity • Excellence
