Arnica Body Wash

Product Analysis

Arnica Extract 1.5% Body Wash is designed to support skin recovery while offering a refreshing, cleansing experience. Arnica montana extract is well-regarded for its ability to reduce inflammation, ease muscle fatigue, and soothe minor skin discomfort, making it an ideal choice for active individuals or those with sensitive skin. Tea tree and peppermint oils work together to provide antibacterial protection and a cooling, revitalizing effect. Rich emollients like shea butter and jojoba oil deeply hydrate and protect the skin, ensuring a soft, nourished feel after every wash. The formulation strikes a balance between therapeutic care and everyday cleansing, ideal for daily use.

Ingredient Super Stars

Arnica Montana Flower Extract (1.5%)

- Known for anti-inflammatory and bruise-soothing properties
- Commonly used to relieve muscle soreness and post-workout tension
- Helps calm irritated or stressed skin
- Popular in body care for active lifestyles or sensitive skin support

Peppermint Oil

- Provides a cooling, invigorating skin sensation
- Supports circulation and offers mild antimicrobial benefits
- Enhances the refreshing feel of the formula
- Often used in muscle-relief or energizing body washes

Tea Tree Oil

- Offers antibacterial and antifungal benefits
- Helps keep blemish-prone skin clear and balanced
- Calms irritation and supports skin hygiene
- Works well in clarifying and purifying body care

Shea Butter

- Deeply moisturizes and protects the skin barrier
- Rich in vitamins and fatty acids for nourishment
- Prevents dryness post-cleansing
- Balances the effects of active essential oils

How To Use

Apply to wet skin using hands, washcloth, or loofah. Massage into a gentle lather, focusing on areas of tension, soreness, or dryness. Rinse thoroughly. Arnica is an active botanical—this product is best suited for normal to oily skin or those without sensitivities to plant extracts. Patch testing is recommended before first use, especially for sensitive skin. Avoid use on broken or irritated skin. For best results, use daily. Avoid contact with eyes. Discontinue use if irritation occurs.
