New This Week

CPR Class for Seniors:

Wednesday 08, 2022, 2:45 pm to 3:15 pm

*****Upcoming Testing**

EOC testing information has been shared. It is essential for all students to attend scheduled testing on the day scheduled. The state gives us only a 5 day window for all EOC and state testing, including any make-up test. Per State Board policy Test-003 requires that public schools use results from all operational EOC tests as a minimum of 20% of the student's final grade. Ms. Beveridge has been emailing students and parents about scheduled test times. Please be aware there is limited flexibility for testing. For the latest information about testing, please click [here](#).

As always, here are some critical testing reminders. It is important that your child arrives at school on time. In addition, please make sure your child has enough sleep the night before the test and has a healthy breakfast the morning of the test. All students will be

offered breakfast upon arrival on campus. If you have any additional questions about testing, please contact Laura Beveridge at laura_beveridge@pender.k12.nc.us.

Seniors

Please click [here](#) for the link to Chuck McCann's presentation for seniors.

Mid-year Graduation practice is scheduled for 9 am on the day of graduation.

Mid-year Graduation is scheduled for Friday, January 6, 2023, at 11 am, Cape Fear Middle School Gymnasium.

Virtual Students

Attendance: Please ensure you work your required minimum of hours each week. It is important to work daily in your classes to avoid getting behind.

*Students' at-risk letters went out last week for students and parents

Additional PILA Information

Pender Innovative Learning Academy follows the traditional calendar found [here](#). Please follow us on our [school website](#) and social media pages for up-to-date information. For all things Pender County Schools, please download the app below.
