

Job Title: Quality Assurance(QA) Engineer

Who Are We?

Founded by Orenda, Taleemabad's mission is to provide high quality education leveraging technology. So far we've made great headway - our team is now 130+ members strong, and we've directly impacted the lives of more than 9 million children across Pakistan. Here's how we did it:

1. Brought together animators, designers, teachers and curriculum developers to create a cartoon series by the name of Taleemabad. Taleemabad is set in an imaginary city, where our characters get into all sorts of (mis)adventures with one sole objective: to get children to learn while having fun. Watch a sample here. Read details about our approach to building children's media here. The series is now broadcast on national television and viewed by more than 8M+ children every week according to PEMRA.
2. Brought together teachers with developers and tech enthusiasts, and created a game-based learning platform for android phones (called the Taleemabad Learning App) which has now reached 1M+ households, with a rating of 4.4 on Playstore!
3. Launched Taleemabad Schools, where we empower entrepreneurs to take our approach and build a truly progressive, modern school at an affordable fee. It's fun to be in a Taleemabad School, you should visit one soon. We plan to build 100+ of these in the next year, taking incredibly engaging learning across the country.
4. Our work has gotten us recognition from the Queen of England, a feature in the New York Times and Forbes magazine. We're going places in the next few years, and we want you to join us on the journey.

Why Orenda?

- Orenda is an exciting and diverse place to work, earnestly built by an enthusiastic, future-oriented, and zealous bunch of people.
- We offer a close-knit, amicable and high-recognition culture where our people are valued members of the organization and key contributors to society, owing to the meaningful work they do.
- Truly believing our employees to be our biggest asset, we empower everyone at any level to initiate and bring about real advances in transforming the education sector of Pakistan.

Short Job Description:

We are looking for a Quality Assurance (QA) engineer to develop and execute exploratory and automated tests to ensure product quality.

QA engineer responsibilities include designing and implementing tests, debugging and defining corrective actions. You will also review system requirements and track quality assurance metrics.

The QA technician role plays an important part in our company's product development process. Our ideal candidate will be responsible for conducting tests before product launches to ensure software runs smoothly. If you hold an engineering background and enjoy providing end-to-end solutions to software quality problems, we'd like to meet you.

What we are looking for:

- 1 - 2 years of experience as a Quality Assurance Engineer
- Experience with a variety of different testing techniques such as UI Testing, Automated Testing, Test Driven Development Strategies and other
- Experience with software QA tools and processes
- Experience in writing clear, concise and comprehensive test plans and test cases
- Hands-on testing experience in Web technologies and Android
- Automated testing experience with Django framework is preferred
- Experience working in an Agile/Scrum development process
- A sense of ownership and pride in your performance and its impact on the company's success
- Critical thinker and problem-solving skills
- Team player
- Good time-management skills
- Great interpersonal and communication skills

Preferred Qualifications: BS in computer science or related field, or equivalent work experience

Location: Islamabad, Pakistan

Duration: 1-month probation, with the prospect of a full-time job offer

Perks:

- Market-competitive salary package
- The opportunity to engage with industry experts and prodigal award-winning young talent
- The rare opportunity to directly impact the education of millions of children in Pakistan

If you think you are the right candidate, please fill out [this](#) form.

Note:

This job advert will close as soon as sufficient applications have been received. Please apply for this job as soon as you can, if interested. The shortlisted candidates will be contacted within 8 working days of the closure of the position.
