

JDEED Bi-Weekly Writing Circle

Bi-Weekly Writing Circle:

When: Every other Friday starting DECEMBER, 12p-1:30p ET.

Duration: 90 minutes

[Registration requested via this form](#) but drop-ins welcome.

Join peers for a **bi-weekly** writing circle on Zoom. Log on, briefly share what you'll be working on; and then write! Stay for the entire time, or leave when you need to. Attend every session or as often as your schedule allows. This low-key, shared writing time provides both community and a dedicated appointment during which you may work on your projects. Regardless of what stage your project is in-- from idea to final draft-- or what type of project you're working on, you are welcome to join.

Typically EVERY OTHER Friday from 12p-1:30p ET, December 2024-June 2025
