

Welcome to the resource document! This document intends to compile accurate resources for as many ancient or endangered languages and dialects as possible! If you have more free online resources to add to this ever-growing document, please private message a staff member of the server. A friendly reminder to backup any of the resources you plan to use, they may be removed from their original locations without warning.

We've decided to split into two parts! Find the second part [here](#)!

If you would like to contribute, contact unaelservers@gmail.com or contact the staff of the UNAEL Discord server directly through the server at <https://discord.gg/te89K64>. For sharing this doc, please use [this link](#).
