

We recently announced information on the collection of material aid (portable drives, protective tape for covering windows, gloves, flashlights, walkie-talkies, thermal blankets, a power generator, fire-fighting equipment, fire blankets, and film wraps for protecting archival documents) for the Central State Historical Archives of Ukraine in Lviv (TsDIAL). Our call has been met with numerous responses, and the willingness to help is overwhelming. We have therefore formally included the project as part of the statutory activities of the "Historia Iagellonica" Publishing Association. The assistance will take place in two ways -- in the form of money and of materials.

Donations of money can be transferred to the special account of the "Historia Iagellonica" Publishing Association at the PKO BP Bank, whose details are given below. Please make a note with your transfer that the money is to go to "CPAHU Lviv". [CPAHU is the Polish acronym for what in English is written as TsDIAL - the Central State Historical Archives of Ukraine in Lviv.] You can put this note in Polish, in the form: "darowizna na rzecz CPAHU Lwow". See below for further details for making transfers from outside Poland.

Donations of materials can be given to Tomasz Kargol and Kamil Ruszala at the Institute of History of the Jagiellonian University, ul. Golebia 13, room 205, 2nd floor, at the following times: Mondays 9.00-13.00, Tuesdays 9.00-15.00, Wednesdays 15.00-18.00, Thursdays 15.00-17.00. Please do not leave any items at the reception or the secretary's office
