

Parental Consent for Publication of Student Image Online

I do hereby give my permission for employees of USD 402, Augusta Public Schools, to publish images, videos, audio of my student in official, school district-approved online publications and on social media. I understand that children in grades Pre-K through 5 may be identified by first name/last initial and grade, although many times they are just images and no names are provided. Children in grades 6 through 12 may be identified by first name/last name and grade. This permission replaces all other permissions for this student regarding publication of images online and is in effect from the time I submit this electronic form through June 30, 2026, unless revoked in writing by parent/guardian to powerschool@usd402.com.

If you are wanting to revoke this permission, please include the following with your email:
Student Name

And one of the following statements:

I wish no media is to be posted of my student district wide.

My student is able to have media within their own school, but not for the district.

My student can be published on Facebook Private classroom pages only.

My student can only be in the yearbook.
