

## **Satan Sits On The Parameter Of Permission**

Job 1:9-12

If you could control your weakness would you?

If you could right the wrong you have committed, would you?

If life was all there was how would you live knowing that?

If this was the case- there would be no Devil to deal with and no God to praise. Simply because life would have no purpose and no meaning at all. Satan is sitting right here every waking moment, waiting on our blessing to rob us of our joy in God. All because he is miserable and condemned and the redeemed is save from his lies and deceit. The seed he thought he was going to influence turn out to be the jewel of God through the obedience in Christ, toward God the most highest.

Let's look at these passages:
