Description

The 5th Annual ISTE Games Nite is back! It is time to heed the call for heroes to descend on Chicago and dispense gaming justice! This year we have a great mix of digital and analog games, serious games, commercial off the shelf games, and of course there's card games, social deduction, and board games Oh My! Feel free to stop by and check out games, if you don't see anything you like, feel free to bring your own and share with your fellow ISTE members and gamers. Join us in the celebration of our favorite pastimes and chat with fellow players, maybe you'll even find a pick up group needing one more member to delve into the murky depths! Just beware of the many tentacled ones and remember... if you can see them... they can see you.

This year, we will convene in McCormick Place Room W179a from 5:30 to 7:30pm on Monday, June 25th. As always this event is open to ISTE members and their families and friends. To reserve your space, please visit <https://istegamenite18.eventbrite.com> and get your free tickets. You can also see some of the games and images from past events and explorations at <https://www.flickr.com/groups/gsniste14/>
