

The Burke Station Destroyers Swim Team (BKS Swim Team) has been a Burke area institution since the late 1970s. Every summer, it has taught multiple generations of children to swim and compete with good sportsmanship while creating a fun and safe family environment. Contributions and sponsorships help fund team operations and directly support the development of youth athletes in the local community.

Located just off Burke Road, BKS Swim Team is made up of over 50 families with approximately 100 swimmers aged between 3-18 years. Unlike most swim clubs in the area, BSST is affiliated with an "open" pool, meaning that families outside the Burke Station Square subdivision are welcome to join. We compete in the Northern Virginia Swim League, where we are placed with five other teams of similar size. In addition, we also participate in an independent developmental "B" league to provide our swimmers with additional opportunities to swim in meets. Altogether, these ten teams are within the area centered on Burke, Springfield, Annandale, Falls Church, and Alexandria, thus broadening the reach and message of our sponsors even further.

Our 2025 season will begin after Memorial Day and will end with a Divisional Championship in late July. BKS Swim Team hosts 5-6 dual meets per season, as well as our legendary IM Carnival and our very own Lollipop Meet (a fun meet for only the 8 & Under crowd) that is paired with a community swim event. This year we are in Division 13 and will once again be hosting the Divisional Championship meet.

BKS Swim Team operates on a very modest budget and is managed entirely by parent volunteers. It is not part of, or financially supported by, the community HOA, so all funds are raised by team membership fees, donations, concessions at meets, and *sponsorships*. Our sponsors' support directly affects our team's ability to meet our funding needs (coach salaries, league fees, equipment purchases, etc.) for each season and is appreciated not only by us as Team Reps, but also by the families who volunteer their time to keep the team running throughout the summer.

Thank you very much for your consideration. Your sponsorship would not only support our swim team financially, but also would foster community spirit and outreach for your business, so we look forward to calling you a team sponsor soon! Please contact us at teamreps@bksswimteam.org if you have any questions or would like to suggest a support option that better fits your business.

Sincerely,

Mike Brenholt, Alexis Bridley, Deirdre Daumit, and Matt Gorski
