

Description

Welcome to our AI Presentation Lab! 

Today, you'll create a fun and smart presentation using **four free online tools**—no login needed!

Here's your mission:

1. **Generate an image** with AI → [Raphael.app](#)
2. **Remove the background** → Use PowerPoint's "Remove Background" tool
3. **Design a cool cover** → [ClassTools](#) [BrainyBox](#)
4. **Add your own audio or music** → [Online Sequencer](#)
5. Put it all together in PowerPoint → Export → MP4.
