

# Hull Chess Club – Minutes of Committee Meeting

Date: 28/04/2023 @ 19:45      Venue: The Charterhouse Hull

**Present:** Shaun Culkin (Chair), John Cooper (Secretary), Steve Greep (Treasurer) Dave Cooper, Bryan Hesler, Keith Porteous, , John Scotter Steve Thrower, Jack Walker

## 1. Apologies for absence: Paul Stephenson, Bill Wright, Andy Donegan, Shaun Moody

## 2. Minutes of Last Meeting:

A number of outstanding development actions remain on the table from the previous meeting – which was a ‘brainstorming’ session on the future of the Club (*See Appendix 1*)

- **ACTION:** (Sec/Treasurer) - It was agreed that a night sign for the club should be purchased
- **ACTION:** DOs should be encouraged to make an opening announcement each club night c.7.10

## 3. Treasurer's Report

- SG presented an update indicating continued relatively healthy and stable financial (*See Appendix 2*)
- On this basis, SG expected to be able to recommend the AGM that subs could be maintained at current levels for 2023-24
  - It was noted however that, in the current circumstances, Charterhouse may increase their rents – so that subs would need reviewing, and making the “18-month-rule” for reserves all the more important.
- A notice of subs levels and categories has been drafted by SG. (*See Appendix 3*). This incorporates a formulation for the agreed ‘family membership’, plus a discount for first-year subs for those who join the Club late in the previous season.

## 4. Secretary's Report (*see Appendix 5*)

- **Summer League**
  - Proposed squads have been agreed and fixtures circulated
  - **ACTION:** Summer league Captain's need to firm up teams and notify secretary of any outstanding issues/concerns before the League starts in June
- **HDCA Rule changes**
  - Concern was expressed about proposed rule change allowing reserves/subs from teams in the same division.
  - **ACTION:** All members are encouraged to attend the **HDCA EGM, Thursday 4<sup>th</sup> May** to discuss and vote on the proposed rule changes

- **AGM and 2023-24 Planning**

- The AGM will be on Wednesday June 14<sup>th</sup>
- **ACTION:** Committee members were asked to contact the President or Secretary with any suggestions for the award of Bycroft medals – so that the full Committee can be consulted before the AGM
- **ACTION:** Committee members and captains were asked to let the Secretary know if they do not wish to continue in office 2023-24
- **Further discussion on room/noise issues**
  - **Bryan H** suggested we consider one extra meeting per month (e.g. 1<sup>st</sup> Thursday or Monday – TBC) – which he would manage - specifically aimed at individual serious games – to help make the main tournaments run better.
    - The Treasurer said that this was financially sustainable
    - **Action:** Bryan or others are asked to submit a formal proposal (inc. specified day) – so that Charterhouse can be consulted before the AGM.
  - John C felt that, in the absence of an extra night, one Friday evening per month can be formally designated as “Championship Games night” – and a more ‘serious’ playing environment for games enforced.
- **Championship tournaments**
  - Bryan expressed disappointment that games had progressed so slowly in some of the main tournaments this year
  - Responses to this were discussed.
  - Structure of tournaments to be reviewed ahead of AGM

The meeting closed at 9.40pm

## Appendix 2

### **Financial Statement: For Committee Meeting 28/04/2023**

This is very much an overview of the current financial position of the club. A more detailed account will be made at the AGM. Please note that when I have done the detailed accounts of the year the position might change, so please treat this very much as an interim statement.

#### **1. The headline figures are:**

Money in bank (12/04/23) **£5,960**

#### **Against which:**

Expenditure to come	£400 (two months' rent and trophy inscribing)
Restricted Funds <sup>1</sup> (Junior)	£610 (this includes £327 Westra funeral donations and member donations specifically for the junior fund, plus roll over funds from last year. Note a further £250 is expected as a HDCA contribution to junior club funds)
Restricted Funds (promotion)	£250 from HDCA
Agreed reserve	£3500
<b>Total</b>	<b>£4,760</b>

**Unallocated funds:** **£ 1,200** (Money in bank less committed, restricted funds and agreed reserve).

#### **2. Some more notes:**

- Our unallocated funds stand at £1,200 – compared to £934.68 at the end of last season. The overall financial position is therefore improved (but see comments below about reserves), but against a backdrop of 10% inflation.
- Any additional junior spending (up to [£610+£250] £830).
- Our spend this year includes 3 years' worth of web hosting and catch-up on inscribing trophies. These are non-recurrent items which won't occur next year (but of course will in future years).
- Stripping out all the 'non recurrent items' our 'core' annual spend is around £2600. If we continue our policy of reserves = 18-month club expenditure, we should move reserves to £3900.
- The effect of reducing club fees has led to a reduction of £500 subscription income.
- General donations are down by £75 (that is donations without a specific area attached), but specific donations are up.

---

<sup>1</sup> The Bycroft Fund (the remaining balance was spent on the remembrance evening), Development Fund (spent on club DVT clocks) and Player support fund (both the club donated fund and find allocated from HDCA) have all been spent in year.

- In year we have benefited from some significant donations. In particular following the Westra funeral, donations to the Junior budget and £500 from HDCA for promotion and development of the club and its junior club – the latter not yet received).

### **3. Recommendations for the AGM**

- Subscriptions remain at the same level, but we should note that this might not be sustainable for future years. Committee should note that subscription income is reduced by £500 from 2021/22.
- The club reserve level is raised to £3900 to keep in line with 18 months of club expenditure.
- I will be seeking formal agreement for the family membership we agreed earlier in the season.
- I will also make a proposal concerning new-member discounts for those who join first late (e.g post-Christmas or post-Easter?) in the previous year?]

### **4. Reminder**

We have agreed three financial ‘targets’:

- Core income (i.e. subscriptions) should pay for core activity (rent, HDCA subscriptions, insurance, web hosting, trophy inscribing). Currently this is a **positive** (but not by much).
- Reserves should = 18 months of ‘core’ spend. This is a **positive (or can be)**. Reserves would cover any one off ‘emergency’ funding, such as rent rises.
- Donated sums should be used for ‘club development or club enhancing activities). This is a **positive**.

### **5. Looking forward**

Firstly, it's important to stress that the club remains in a very healthy financial position. Given where we were just a few years ago it's important we stay there.

My proposal for subscriptions for 23/24 is that they remain unchanged. I hope that the club committee will support this. But committee should note that it might be necessary to raise subscriptions in 24/25.

Assuming there are no radical changes to the above, the club will enter the new season with an unallocated amount of £585 (£985 less increase in reserves) and a reserve fund of £3,900. Together with amounts for juniors and club promotion (we may well spend some of this in the current financial year, but that won't affect the underlying position).

Stephen Greep  
Club Treasurer 12/04/23
