Can you help fill our Food Pantry shelves?

The Lincoln Food Pantry is operated by the Society of St. Vincent de Paul (SVdP) at St. Joseph Church. It is open twice a month and serves 200 clients who live, work or go to school in Lincoln or Weston. SVdP also offers emergency financial assistance; rent, utilities, car repairs, medications etc. We expect that the need for food and financial support will greatly increase over the coming weeks.

How can you help?

Donate food:
The Food Pantry receives approximately 4,000lbs of food from the Greater Boston Food Bank which stocks our shelves, but also fills our refrigerators and freezers with meats, poultry, fish, vegetables, milk, yogurt, cheeses and much more. In addition we receive approximately 1,000 lbs of vegetables. Because food is in high demand right now, we are low on some items. If you would like to support your neighbors in need, here are some suggestions of what you can add to your shopping list:

Progresso soup
pasta sauce
cereals
jelly
mayonnaise
shelf stable Parmesan cheese
crackers
cookies
gluten free items
paper towels and toilet paper

Surprise us and our clients by bringing things you and your children like! All donations are greatly appreciated. Shelf stable items only and please make sure the food is within sell by date.

Where can you leave food donations?

1. St. Joseph Church - in the vestibule at the side entrance (where the ramp is).
2. St. Julia Church in Weston at the back of the church
3. Donelan's - buy and drop in the collection bin behind the registers.
4. Deliveries - deliveries without a signature required from places like Amazon, Amazon Fresh , Walmart, etc can be sent to: Chris Connell, 142, Lincoln Rd., Lincoln MA 01773
