Subject: Invitation to Celebrate Cultural Diversity - Wear Your Favorite Brazilian and Portuguese Soccer Jerseys!

Dear Parents/Guardians,

We hope this letter finds you well. At Lafayette Street School, we celebrate and honor our students' diverse cultures and backgrounds. As part of our rich cultural calendar, we are excited to announce a special event to showcase the heritage of Brazilian and Portuguese soccer traditions, a significant part of our school's cultural tapestry. On March 22, we invite all students to school wearing their favorite Brazilian or Portuguese soccer jerseys. Whether it's the iconic yellow and green of Brazil's national team or the vibrant colors of Portugal's clubs, we encourage students to represent their favorite teams and players proudly.

This event provides an excellent opportunity for students to share their cultural pride and passion for soccer with their peers. We create a more inclusive and welcoming school community for all by celebrating diversity and embracing cultural differences.

We kindly ask for your support in helping your child participate in this event. Please ensure they wear their favorite Brazilian or Portuguese soccer jersey on [Date]. If your child does not have a jersey, they are welcome to wear clothing that represents Brazilian or Portuguese colors or symbols. **Your active involvement will make this event even more special for our students.**

I appreciate your support in making this event a success. If you have any questions or concerns, please don't hesitate to contact us.

Sincerely,
George Fernandes
