November 8, 2024

Dear Elementary Families & Candor Community,

This morning, the elementary school successfully completed an evacuation drill. The entire elementary school practiced walking to a safe, nearby location. This drill was a valuable opportunity for everyone to become familiar with the procedures in case of a real emergency. The elementary school extends its sincere gratitude to the Candor Community, Tioga County Sheriff's Office, staff, and Allen Memorial Baptist Church for their support in ensuring the drill's success.

Sincerely,

Peter Ahart, Elementary Principal
