

Good morning, Anabolic

Hello, I'm XXXX and I'm relatively new to copywriting as a growth consultant for fitness apparel brands like yours. I help out small businesses that have potential and I make those businesses bigger.

This apparel brand caught my attention. All of the clothing designs had a 2000s feel to them which I don't see anymore. It was cool to see innovations like that.

You'd think your business's popularity would be through the roof but that's quite the opposite.

Putting up advertisements would help traffic people to your website and help scale your business.

I'd be open to scheduling a time to continue chatting about this further. I am confident that I will exceed your expectations as I am an easy person to talk to and have knowledge that most do not.

Let me know if you want to chat about this.

Best regards,

XXXX
